PRODUCT DESCRIPTION

Liquid polish with high capacity of shine and protection. It's a three-functions product: cleaning, polishing and protective. It can be applied on paint, plastic, rubber, glass. It guarantees a long-term gloss on the surface.

PREVIOUS STEPS

HOW TO USE

Spray the product on a Silky Double microfiber. Use rotary movements to apply it on the interested surface. We suggest working on a 50x50 cm area a time. At last, clean up using the opposite face of the cloth. To obtain higher results, repeat the process.
