PRODUCT DESCRIPTION

Specific solution for internal cars' carpets treatment. It cleans and sanitizes upholstery, like seats, carpets, moquette, seat covers. Thanks to the components in its formulation, it is particularly effective in the removal of dirt and stains. Its use releases a pleasant perfume.

PREVIOUS STEPS

HOW TO USE

Spray a little quantity directly on the interested area and spread it with crossed movements using a wet sponge, preferably bathed by warm water; scrub till the removal of the stain, homogenizing all the treated area in the same way. Then, immediately vacuum using Hoover.

TX-TL 5kg version can be diluted in water at a percentage of 2-6%, according to the level of dirt to remove.
