PRODUCT DESCRIPTION

Spray cleaner, particularly effective for the removal of tree resin, sticker glue and tar stains from the car body. Its use is also indicated for the glass treatment. It's been designed for a simply and immediate working process.

PREVIOUS STEPS

HOW TO USE

Use it in combination with a sponge or a microfiber cloth, like Silky Tech Grey. Spray the cleaner on the cloth, and apply it, rubbing on the interested surface. Let it work for a few minutes, then clean up the residues. At last, the surface should be rinsed using a pressure water jet.
