PRODUCT DESCRIPTION

Cleaner specifically developed for the tyre restoration. Its formula contains nourishing rubber elements, that allow to renew every type of tyre, preventing the onset of dryness and cracks. TY-BLACK gives brightness to the rubber, taking it back to the original conditions. It leaves an antistatic film on the surface, hindering the deposit of dirty and dust.

HOW TO USE

Use it on a clean and dried surface. Apply TY-BLACK on the tyre's sidewall, using the S18 pad or a brush, and let it dry.
TY-BLACK 5 kg version can be diluted from 10 to 20% with water, according to the level of dirt to remove.
